

Coronavirus Update

LOBBY CLOSED Effective March 18, 2020 Drive-Up Remains OPEN

Given the evolving concerns around the Coronavirus (COVID-19), and in an effort to support community health management efforts, we are temporarily suspending lobby access until further notice. Our drive-up will remain open during our regular banking hours. These changes will go into effect Wednesday, March 18, 2020.

We continue to offer many options to serve your banking needs:

Online and Mobile Banking

We encourage you to manage your accounts using online and mobile banking. These free services are available 24/7 and allow you to safely manage your accounts, view transactions, check balances, make payments, deposit checks and more – from the comfort of your home. Visit our website: lcbankmn.com and download our free mobile app to get started with these convenient services. View the great demo videos on our website for additional information.

Drive-Up, ATM and Night Deposit Box Services

Our drive-up will remain open during regular hours and offer most banking services. Customers may also continue to use the night drop and ATM located in our drive-up.

Telephone

If you have any questions or banking needs, please call us during regular banking hours at 952-473-7347 as we will have team members onsite to assist you.

We're here to support you!

For nearly 115 years, we have dedicated ourselves to our customers and community. This important commitment will not change during these uncertain times. We remain steadfast in our support and will continue to be here for you. We look forward to re-establishing full lobby access once the concerns around COVID-19 diminish.

We send our best wishes to you and your family.

Sincerely,
Brian Peters
President & CEO
